**Subject:** Shiloh Update and Thank You

Good Friday Afternoon,

We received lots of good news regarding the Shiloh Church Road Site this week. On Tuesday, we received the signed ceiling increase from HQ. On Wednesday, the sale of the property was successfully completed to a young couple who will move into the residence on Property #1. Today I received verbal approval for access from all three property owners to continue operations.

Immediately after Labor Day, we will be restarting full operations with a full crew. Hopefully, we will not stop until the removal is complete.

I could not have reached this point in the project without all of the tremendous help I received from each of you. There's more to do, and I will be reaching out again, but I want to give a giant THANK YOU for everyone's support.

Enjoy your weekend. If you are looking for me, I'll be in Nathalie ☺  
Thanks again  
Chris
